

Dear Students and Parents/Guardians,

Summer is a great opportunity for students to continue reading and to catch up on the reading he/she did not have time for during the school year. It is also a time to make sure that students do not lose the literacy skills they gained throughout the previous school year. In order to maintain these skills, students will need to complete a Summer Reading requirement. Students will choose one book from those listed for their grade level, and complete the corresponding book report or project. They will be collected, and will serve as the student's first grade.

All books on this list are available at Amazon.com, Scholastic.com, and Barnes & Noble stores. Many of the books are available on E-readers like the Kindle and Nook.
